

# K-Fix® Hinge

## Type Sc.10

This type of K-Fix® element is suitable for assemblies with turning and swivelling functions. The K-Fix® hinge can also be used as a one-piece part (half a hinge) in your lightweight component. The other half of the hinge can be manufactured in any material. The two halves have a 10,5 millimeter part spacing.

The expanded foam housing is black. The functional part, in polypropylene, for instance, is red as standard. Other RAL colours are available.

Pos.	Description	Type	Material	Weight [g]
1	K-Fix Hinge half	Sc.10	PP	1,5
2	K-Fix Hinge half	Sc.10	PP	1,5
3	Add-on 1	Foam part	EPP	/
4	Add-on 2	Foam part	EPP	/
